News from the **PRESIDENT**

Paul Keneally

I would like to thank all of the members that attended the Briarwood annual meeting last month. The large number of members that showed up is reassuring that we have a membership that is dedicated to the continued success of our club. At the meeting, members were asked to vote on three open board positions, and a vote to approve Carol Kirby to serve out the remaining term of an appointed position. We would like to congratulate Carol on her approval, and welcome to the board Matt Braukmann and Gregg Glueckert, who are new Board Members, and Bruce Hamm, who was elected to another term. Please take a moment to thank them for their time and effort they will be giving to our club. With two new members, we must say goodbye to Matt Hall and Bryan Roach. Matt has worked tirelessly with our membership committee to keep increasing our membership numbers. With our sustained membership numbers, Matt has done a great job the past years. Bryan has been a valuable member in working with our administrative departments. Bryan has always made sure that the betterment of the club was first and foremost. It has been a true pleasure working with Matt and Bryan, and their input and dedication will be missed. Our club is much better off due to both of their hard work!!!

News from the **MAINTENANCE DEPARTMENT**

Sean Sullivan, CGCS briarmain@180com.net

During the month of April we will be working on 3 main projects, the cart path and tee box at 17-18, adding irrigation at 2 tee box area, adding irrigation to the 6 tee-7 tee areas. As stated at the annual members meeting, we will only be doing these 3 projects until completed after which the greens committee and BOD's will decide how to progress from there. Later this month, April 22-24th will be the days that the course is aerated. Please make a note in your calendars, so that it won't be a surprise when you come out to play and the course is being aerated. Depending on weather and other circumstances we will do our best to complete the aeration process as quick as we can. If the weather is cold, healing will take longer, if it is rainy then cleanup will take longer.

For those that were not at the members meeting, I had applied to work the Open, at Muirfield in Scotland, for this year. I was selected to be on the Support Team, once again. This time I am the only non- Brit to be on the team. I am honored to be on the team, and I hope that as members of Briarwood you take pride in the fact that no other Superintendent in Montana or the US has that honor.

Let's all hope that we have a near" normal" year so that we can continue improving both the infrastructure of Briarwood and the golf course!
