News from the Pro-shop

Justin Mills, Head Golf Pro

Members,

Hopefully you all enjoyed the rest of the week- post-Tangle-madness! From all of us at The Briarwood, we would like to thank you for playing in the 2017 Tangle and hope you thoroughly enjoyed your experience. This week's winners included Mike Music and John Drager.

As of Monday, we have finished up the 2017 Men's League Playoffs! Congratulations to Randy Radford's team, Par 6, for taking home some hardware!

Despite the summer winding down, we still have many up-and-coming events here at The Briarwood. It has been a hot summer filled with many great events and we thank you for your cooperation as members. We know everyone is looking forward to playing some cooler-weather golf, so as the days get shorter and (hopefully) cooler, please keep these events in mind:

Friday August 4th: SPE Golf tournament ~ 7:30/1:30 Shotgun Start

Sunday August 6th - August 8th: Aerification *one side of the course will be open
for play at a time

Thursday August 10th -13th: Briarwood Majors PGA

Tuesday August 15th, 22nd, and 29th: Couples League at 5:45

Thursday August 24th: MNLA Fall Tour Scramble ~ 1:00 Shotgun Start

Friday August 25th: Billings Classic Clinic ~ 8:30 Shotgun Start

Saturday August 26th: Midnight Masters ~ 10:00 PM Shotgun Start

Justin Mills, Head Golf Pro

News *from* Maintenance

Sean Sullivan, CGCS

August 6th, 7th, and 8th we will be aerating the course, as much as possible. Due to the high temps and no rain, we will be using a solid ¼" tine for the greens with a light topdressing. Some of the greens are developing black layer and need the aeration to vent the greens. Collars and approaches will be core aerated using 3/8" tines. Fairways will be double verti-cut and spiked with solid tines. We will start, with the big aerator, on tee complexes continue through the roughs and finish at the greens complexes. The rough aeration will take longer than the 2 ½ days to complete, including cleanup, but is worth the effort and poses little disruption to play.

Other than that we are in survival mode, until the nights start to get cooler and we start to see some rain events. Geoff and I have our hands full just keeping the irrigation system running while making all the necessary repairs to the valves and irrigation heads.

The driving range is nearly ready to open for use. It was a big project to do "in house" and for the most part it's done. Now we are tasked to blend in and renovate the irrigation system around the new pool and cart barn. It may not have been apparent or known but the irrigation that services the entrance comes through the area where the new pool sits. Now that the majority of work is completed we can reconnect the system and begin to water the entrance areas.

Sean Sullivan, CGCS

2017 Briarwood Tournament Calendar
