Hello Members,

It's turning out to be a real nice summer at the club. Just finished the member guest tournaments and I would like to congratulate the club for a job well done. The course was in great shape and all departments worked hard to provide a very good experience for all players.

There was some very good golf and congratulations to all the winners. It seems there are many new faces at the club which is exciting to see. Hopefully the Briarwood is living up to your expectations and you are enjoying the club as much as we do. My Tangle partner and I followed Clay Walker around the course last week, and when we finally caught up to the group, they sure raved about Briarwood. It was nice to hear that from a guy who gets to play many courses across the country.

We still have plenty of golf events coming up and I hope to see you all participating. Also a good showing at our own Briarwood Pro-Am where a Briarwood team took first place honors. For anyone who has not played in a pro-am, sign up today. They are very enjoyable.

Lastly, please remember to keep the carts on the paths whenever possible. I see many carts driving right up to the greens or parking with two tires on the grass and two on the paths. Repair any ball mark you may see on the green, even if it's not yours. Fill in your divots and rake the bunkers. Our course is in great shape and it's much easier to maintain our level of excellence when everyone chips in to help!!

See you on the course,

Carey

News from the CLUBHOUSE

Eric Smith, Food & Beverage Director

As summer moves along into August we are seeing a lot of nice weather for golf, swimming, and enjoying the patio. We have a couple of parties to mention that will have seating in the restaurant limited one will be on August 1st and the other will be on August 8th. We will still be able to do takeout orders on these days but seating in the dining room will be very limited. Sorry for any inconvenience this may cause.

Also we had a great turn out for the Tangle at the end of July. Congratulations to the winners. And thank you for all the wonderful support during this great event.

We have had some great reviews on the nightly dinner specials. If you haven't had a chance to stop and see what our newest team members in the kitchen have been making I strongly recommend giving them a chance to doing the cooking for you one evening.

If you are planning a company part for the holidays this year now is the time to make your reservations as we tend to book up fast.
