Hello Members,

Hope this finds you all doing well after a nice Thanksgiving Holiday. It has turned off chilly in a hurry and if you are like me, you didn't get near enough fall golf in.

Hopefully we have a few nice days during the winter months so the die hards can get out and play. In addition, the pro-shop and restaurant are still open for business.

Thanks for supporting these guys thru the winter months!!

Happy Holidays,

Carey

News from the CLUBHOUSE

Eric Smith, Food & Beverage Director

Happy Holiday season from the Clubhouse! Here at the clubhouse we are looking forward to a very busy month, especially on the weekends. We have parties booked this year on every Friday and Saturday and we are also offering our popular Sunday brunch. Our brunch is a great opportunity to get together with friends and family over a delicious meal where we do all the cooking and the dishes for you. There was some really great feedback from last year's brunch so I expect they will be very busy this year. So call and get your reservations early before we fill up.

We will have a new sound system for the dining room and bar areas. Set to be installed on December 1st. That will allow announcements during events and tournaments and for some background music during brunch, holiday parties, and every day dinner service, so you can have the most enjoyable time at the Briarwood for any event.

Due to the large parties happening this month I strongly suggest calling ahead for reservations on the weekends. Please call 245-2966 with any of your restaurant needs.

Last year we had an excellent turn out for New Year's Eve dinner and entertainment. So much fun that we want to do it again this year. Although I have not finalized a menu for the evening, I have booked the entertainment and was going with a Roaring 20's theme for the party that evening. Feel free to dress for the theme. We will have Al Jordan as our DJ for the evening's festivities I will be emailing the menu to everyone once it is finalized. There will be a contest for the best male and female costumes that go along with our Roaring 20's theme. Plus more raffles and prizes to win.

We will be changing the hours that the bar and restaurant will be open during December. I have posted them below. With the shorter hours we will start serving breakfast all day for the rest of the winter.

In closing...wherever your travel plans take you this holiday season...We at the Briarwood hope they are filled with love, laughter and please return safely!
