News from the **PRESIDENT**

Paul Keneally

With the warmer weather starting, we are all looking forward to the upcoming golf season. When the weather starts to cooperate, the Greens crew will be out working to finish up some projects, and getting our course ready once again to be the best course in the region.

Scott and the crew in the Proshop are also getting ready for the upcoming year. Make sure to stop in and take a look at the new equipment and apparel that will be available this coming season. Keep an eye out for a golf events calendar. There will be some great tournaments, leagues, and member events you will make sure you want to participate in.

Last, in accordance with our clubs by-laws, the annual member meeting will be held on the second Tuesday of March, so mark your calendars for March 12, 2013. We will have three board positions up for election. If you are interested, please send in your resume. This is a great opportunity to bring your ideas, compassion, and experience to our golf club. The more candidates we have will only help improve the future of the Briarwood!!

News from the **PRO SHOP**

Scott Pekovich, Head PGA Professional

Hello, Members! Spring is right around the corner and that means golf will be as well! I have included the preliminary 2013 golf schedule for everyone to make plans not to miss the major events out here at Briarwood. We are trying to free up more Friday mornings and afternoons in order to allow the Members to play at these times, per your requests! Also we have begun to take sign-ups for this years' Men's League and a NEW event out here at Briarwood, the "2-Person Team Challenge." Call the Pro-Shop for more details.

We are offering a special "Valentine Sale" that will allow you 20% off of anything in the Pro-Shop from February 14th - February 28th. So bring your sweetheart out and gear up for some spring golf here at Briarwood.

News from the **MAINTENANCE DEPARTMENT**

Sean Sullivan, CGCS briarmain@180com.net

We have started the process of getting ready for the upcoming golf season. Brian Hoban, equipment manager, has started to repair Briarwood's mowing equipment. As with past years, this takes time and money to insure that the equipment, we have, will be able to hold up to the demands of mowing daily for 6 months. Towards the end of February, if the weather permits, we will also start to service the golf cart fleet. This, usually, includes changing oil and air filter, checking the steering, suspension, brakes, brake cables, throttle cable, and wheels. Oil and filter are necessary consumable items, the rest are items that the members control. Treat the carts as assets and the repair can be held to a minimum. Treat as a rent -a- wreck for the day, and the Pro Shop's budget is dinged for a few thousand dollars. As for me, I'm in the process of powder coating the course ball washers. I can refinish the ball washers for a couple of dollars apiece in the shop, as opposed to sending them out for between \$50-\$60 each. Also, I order the golf course supplies, so that when the members start the new golf season, the course has new cups, flagsticks, and flags.

News *from the* RESTAURANT

Kenzie White, Director of Food & Beverage

We have new hours for the month of February. Please see the back of the chip shots for information.

We hope this New Year is treating you well. Our first event of the month is our annual Super Bowl party on February 3rd at 2 PM! This year we will have a Mexican themed buffet and many other food specials. We'll have tacos, enchiladas, homemade tortilla chips, Spanish rice, refried beans, tamales, and queso dip on the buffet. As far as drink specials, we'll have our awesome Moscow Mules to offer in our brand new copper cups! Please call the restaurant to reserve the best seats in the house!

Our second event of the month is our monthly Crab Feed on February 8th from 5-9 PM. This month we will be featuring Snow Crab and King Crab! You'll have the option of eating both types of crab as all you can eat or as an entrée. We expect a large crowd for this event so please call early for reservations.

Our third event of the month will be Valentine's Day. On Valentine's Day (Thursday) we will be serving a couple's dinner from 5-9 PM. Friday (the day after Valentine's Day) we will be offering the same couple's dinner AND we are bringing DJ Dubb back for after dinner music and dancing! We will be taking reservations from 6-8PM and expect them to fill up fast. Please call the restaurant today for reservations!

Our last event of the month will be our first ever Casino Night on February 23rd at 8PM. We will have bingo, poker, black jack, and dice games for everyone to participate in. When you walk in the door you will be trading your "real" money for "fake" money (ex: 10 real dollars = 100 fake dollars). You'll play all of the different games for a few hours then we will start an auction with your "fake" money. We will be auctioning off a variety of prizes from Briarwood and other local businesses.
