I know that a lot of you have taken advantage of the lingering warmer weather to get in many extra rounds of golf! Now that winter has arrived, I would hope that The Briarwood does not get tucked away in your mind until the spring thaw like your clubs in the garage. The kitchen is open and the food is great, so stop by and enjoy a night out with the family or friends, or maybe a warm hardy breakfast. The Pro Shop is open and stocked for those of you who feel the need to shop and get a jump on your spring golf wardrobe!

I would like to say thank you to all of the staff and the members for an awesome 2011. You are The Briarwood. For those of you who have not taken advantage of the weather and been out on the course, you may not have seen the updates to the #6 hole, or some of the other work that has taken place on the course. These are just some of the things that continue to make our course the best course around! There are also some changes coming to our clubhouse. Let's join together to welcome 2012 and make it the best year yet at The Briarwood!

Scott Pekovich, Head PGA Professional

What a nice start to the New Year weather-wise for us golfers! We had over 165 total golf rounds in the month of January, which is extraordinary to begin the 2012 golf season. The Pro Shop is in the process of putting together the 2012 golf events calendar. If you have any questions on dates or events that will be held here at Briarwood, please feel free to contact us.

The Pro Shop will be starting to receive the latest and greatest golf equipment and merchandise soon. If anyone has any special requests to start off the 2012 golf season, we will be happy to accommodate those requests, as we have accounts with all the major golf manufacturers like Taylor Made, Callaway, and Nike.

ANNUAL MEETING

March 13th | 6:30 p.m.

If you have any questions, comments, or would like to know what will be going on at Briarwood this year **PLEASE** attend the annual meeting. We will also be voting on the 2012 board members. This is **YOUR** club, so helpful suggestions and feedback are always welcomed to help insure we are giving you the best experience at The Briarwood Country Club.

I hope everyone is enjoying the snow!! Winter is finally here and hopefully everyone is staying warm. January brought us a lot of exciting football games and I am sure that the Super Bowl will be just as fun. Speaking of the Super Bowl, we are yet again hosting a Super Bowl party. Tailgating starts at 2 pm Sunday February 5th!! We will be having food and drink specials, so please come on down. Reservations are not needed but they do get you a better seat to watch the big game.

Starting February 12th we will be changing our Sunday Breakfast Buffet to a Sunday Brunch and it will be extended to 2 pm rather than 11 am. Also that Sunday we will be starting our weekly Family Home-style Dinner. Every week we will be serving different family favorites!

This month we will be having a Valentine's Day Dinner. This will be held on Saturday, February 11th. Reservations again are not mandatory but encouraged. We are having a limited menu with some exciting dishes. We hope to see you all out for it. We still will be open on Valentine's Day for anyone that can't make that Saturday.

We are also gearing up for Easter and Mother's Day! Easter is on Sunday, April 8th and Mother's Day is on Sunday, May 13th. Again we will be having a brunch both of those days and reservations are strongly encouraged. The menus for these days are yet to be finalized but we will have a great layout of food for you.

Anyone who has not yet met our new Executive Chef, Tyler Fisher, please come down and ask to meet him. He enjoys talking to the members and hearing their input on how to make the restaurant experience better for everyone!
