Carey Ziebarth

Hello members, welcome to 2014! No chance of golfing as I write this, even though the weather has been great!! Soon the snow will be gone and our course will become a great playground once again!!!

This time of year always has some anxiety around when we can actually get out and play. Each day, we look at the forecast and decide if we can get out. Or maybe tomorrow...or maybe this weekend, and it's usually shot down by a sudden sciff of snow and cold!!!! That's winter golf in Montana!! Soon enough we will all be able to get out and satisfy the urge!!

Springtime also means golf leagues will be starting up. Grab some friends and get your team signed up. Its loads of fun!!

You should all be seeing a short survey coming out from the board on some ideas to improve your golf course. **This survey is for member input only.** There are no set plans for any projects today. We will try and get some results and discuss at the annual meeting. This is your golf club, and your opinion on our future improvement projects would be greatly appreciated. If you get a chance, please give us some input. We are also in need of some new board members. I think we will have 3 spots available this spring. If you are interested, please contact any board member.

As always, thanks for supporting your golf club and hope to see you all out on the course soon!!
