## News from the **GENERAL MANAGER**

*Brian Neely*

We are preparing for our Christmas Party and planning the final details for the New Year's Eve Party. I bring this up because I feel we should remember that the holiday's here at the Briarwood are truly special. Everyone is happy to be sharing time together with family and friends. Warm hellos, firm handshakes and hugs are happening, all over the property.

We know 2012; will be an exciting year from painting and remodeling the restaurant to negotiating with vendors to bring you better service and prices. We have also looked back at 2011, to see how we might make things better and are committed as a group to do just that. We know that you will see these changes and be pleased with them.

We all would like to thank each of you for your Membership and look forward to seeing and serving you this year!

## News from the **PRO SHOP**

*Scott Pekovich, Head PGA Professional*

What a great turnout we had for our 1<sup>st</sup> annual "Merry Merchandising" party. Nike and Sun Mountain golf companies brought a ton of great apparel and accessories for us all to choose from during their visit. We had an excellent month of December with almost all of you using up your hard earned Pro-Shop credit towards the most current golf merchandise we could provide.

What a unique year us golfers went through in 2011! The May flood, the July hailstorm, and let's not forget the (7) hour rounds, on the back nine only, during the Member-Member. We handled all of this with a smile and are looking forward to Briarwood being an even better place in the future. Thank you to everyone here at Briarwood for making my first year here a big success.

### **"Happy New Year"**

We are looking forward to an exciting 2012 here in the Pro-Shop. We will continue to upgrade and improve the merchandise and excellent customer service that you deserve as a valued Member here at Briarwood. Be on the lookout for a NEW and EXCITING golf event for the Members early this spring: "March Madness." Inquire if you are serious about having a blast!!

## News from the **MAINTENANCE DEPARTMENT**

*Sean Sullivan, CGCS [briarmain@180com.net](mailto:briarmain@180com.net)*

January is when we start the process of going through all the equipment and providing the necessary repairs. It usually takes a week to inspect and replace the "wear" items per machine. The wear items include: oil, filters, belts, bearings, seals, rollers, suspect hydraulic hoses, hydraulic fluid, grinding cutting units, and sharpening blades. We, also, check the overall condition of the machine, looking for cracked welds, and bent brackets. Just transporting equipment throughout the Briarwood property can create stress to the equipment! We work on these project when the weather outside prevents us from accomplishing our winter projects.

The outside work this year includes finishing the rock work, for flood repairs, and tree trimming or removal. There is just a little rock work left at the project next to 2 tee. A day or so of hand placing rock will finish off that area. Then in spring, when the temperature rise, we will be able to re-seed the area and finish laying sod along the concrete cart path. We are also in the process of building a new tee for #6. We will be using rock similar to the rock used around #6 green complex to construct the tee. This project has about 2 weeks worth of work left in it. For those interested the rough shape of the new tee is already done. In the spring, the seeding and sod work will be completed in the areas around 6 green and 7 tee.

During the last 2 winters we missed the opportunity to go out and trim up the trees, around the course. With the winter being mostly open, I have the chance to go out and get the job done. Most of this work is comprised of limbing up trees that have limbs that snag the mowers. Also, as the trees get bigger they are encroaching into the space adjacent to the cart paths. Either limbs or "volunteer" trees have to be removed for the safety of the golfers.

# News *from the* CLUBHOUSE MANAGER

*Rex Ripley*

Happy New Year!! We hope you all had a great December and a Merry Christmas. Last month we had a bunch of Christmas parties that all went over spectacularly. Though we were busy, we still could have squeezed in a few more, so remember us for next year when planning your Christmas party. Also, thank you to all of you who came out and made our New Year's Eve party a success.

We will be taking reservations for a spot at our annual Super Bowl party on February 5<sup>th</sup>. Please do not wait to make yours because prime seating fills up fast. We will be having various food and drink specials as well as prizes to be handed out every quarter.

*Thank You!*

to all the Members who contributed to the Employee Christmas Bonus Fund
