Hello members, welcome to 2015. Hope you all enjoyed the holiday season, and may you all prosper in 2015. Let's have a great golf season in 2015.

I would like to thank all of you who participated in the annual Employee Bonus program. Our associates are very important to us and it's a very nice gesture on your part to donate.

We had a pretty busy December that was full of Holiday parties. We also had a few days to get out and play for the die hards!!

On behalf of the Board of Directors, I would like to invite you to a special meeting we will be having for all members on Tuesday, Feb 10th. We would like your thoughts and ideas on the direction of your club, as well as addressing some needs we have after 30 years of business at the Briarwood. This meeting is meant to be positive and pro-active so please plan on attending.

We will do our best to send out reminders as we get closer to the date.

As we move forward into 2015, we still have some needs I hope you all will consider. We will have some Board positions open, and we are still looking for a garden committee volunteer.

Thanks for supporting The Briarwood.

Carey

# News *from the* MAINTENANCE

Sean Sullivan, CGCS

As the course is under a blanket of snow, it is protected from any adverse temperature changes. Luckily, back in December when there was a brief reprieve from the snow cover, I was able to apply an additional application of fungicide to most of the greens. That application will extend the snow mold protection, concerning the greens, into March. I'm hoping that is not needed and access to the course is earlier in February. But as that is not up to me, I will have to make the best of what Mother Nature gives me.

When not plowing snow from the parking lot, I'm down in the maintenance shop working on equipment and the course accessories.

Best Wishes for 2015 and everyone please be safe.

Kind Regards  
Sean Sullivan, CGCS
