## News *from the* GENERAL MANAGER

*Brian Neely*

I hope everyone enjoyed the holidays. It's great to spend time with family and friends. As I am sure you're aware the course is still under snow. Whether its inventory, snow removal, party planning, budgets or preparing the golf carts for next season we have many activities to keep us busy. I think we all will be happy when the snow melts away and we can play some golf, even if it is cold.

As of today, the price on the round trip airfare for the California trip is \$75. Several people have already signed up and we are gearing up to go. We will be leaving on January 19<sup>th</sup> and return on the 22<sup>nd</sup>. Please give me a call at the office to sign up or if you have any questions at 294-3035.

Pricing is also coming in for the couples Cabo San Lucas trip, which is scheduled for February 2nd through the 6<sup>th</sup>. It is somewhat difficult because it changes day to day but right now for \$875 per person you get your airfare, hotel, food, and drinks for 4 days. This trip is for everyone whether you play golf or not. We will be doing all types of activities such as whale watching, ATV tours, horseback riding and of course shopping. Please call me as soon as possible at the number above to sign up for this fun trip.

In the coming months we will be hosting a Valentine's Day party, Comedy show, Beer tasting night and Super Bowl party. Additional details will be available soon and we will pass them along to you as they become available.

Thank you, and have a great day!

## News *from the* MAINTENANCE DEPARTMENT

*Sean Sullivan, CGCS*

Because of the continued snow cover we have been in the shop servicing equipment. In addition to a fairway mower, which had to be thoroughly serviced, we have also broke down our oldest Ford tractor. The tractor had suffered some hydraulic problems which have since been sorted out. Also, on the list of serviced equipment is the fleet of golf carts. We have changed the air filters, and oil in all carts and the sun roof brackets and suspension parts on those carts that had suffered collisions and rollovers. The carts are in good enough condition to see us through another year of service.

As for upcoming projects, we are waiting for the outcome of the budget review. As the 2011 budget is tweaked and approved, then we can prioritize the project list and get to work making improvements.

### Reminder

**Prepaid Dues and Capital are due  
by February 28, 2011 to receive  
your discount.**

### Thank You!

Thank you to all the members  
who contributed to the employee  
Christmas Bonus. We all appreciated  
it very much.

# News *from the* RESTAURANT

*Angelo Ortiz*

I wanted to extend a very big Thank You to our members for your patience and patronage in December. We had a full calendar of Holiday parties and events. At times it seemed a little hectic, but we pulled it off. The bar sold over 50 bottles of wine off the closeout list and as far as I know, every guest and party patron enjoyed themselves and loved the food.

January will be a little slower, but I still have some things to bring to your attention. We will be participating in the Beartooth Harley Davidson Buell's Munchie Bowl on January 29<sup>th</sup>. That is a Saturday afternoon and will be indoors. If anyone has a special appetizer recipe or if you're looking for one to make for your Super Bowl gathering, call me at the clubhouse. Briarwood will be competing and I am looking forward to seeing more members at Beartooth Harley and winning the competition.

I am looking forward to a prosperous year in 2011 and even more fun and parties.

Happy New Year
