## News from the **PRESIDENT**

*Paul Keneally*

Hello Members,

I would like to extend a well deserved “THANK YOU” to the Briarwood Home Owners Association, the members of the Briarwood, and all the great sponsors for the sign tournament. With your help, the Home Owners Association has received enough funds to soon start on replacing the Briarwood entrance signs at the highway, and start work on the new rock sign. If you have not had a chance to see the new sign, please stop by the clubhouse and take a look. This will be a great addition to our golf course.

I would also like to announce the promotion of our head chef, Tyler Fisher, to Food and Beverage Manager. With the continued improvements that have been made in the clubhouse, we are excited to see just how much better we can be. Please make sure to keep filling out the comment cards. This is a great resource to find ways to continually improve your club.

Make sure to keep telling your friends and family about the great membership opportunities at the Briarwood. The more members that sign up, the better our club will be. We look forward to seeing everyone this summer enjoying the great weather, improved clubhouse, and playing the best course around.

Hello all,

We are getting ready for an exciting summer here at the club. With a fresh new look and a brand new menu, we are ready to serve the members better than ever. There will be a few new and fun events we have planned to run all summer long.

Monday nights is men's league. Every Monday night we will be offering a different buffet. Tuesday night is couples night. On these nights we will be offering selected appetizers, entrees, and desserts for a couple's dinner special. Wednesday nights will feature an outside BBQ. We will prepare different BBQ items weekly, which our chefs will be grilling up outside on the deck. Thursday nights we will be featuring a pasta night in the dining room. We will rotate some signature Italian dishes, as well as a pasta bar.

Sunday nights will be family night. We will feature family style dining at your table. We also will be trying to offer a family friendly environment with entertainment for the kids. Saturday nights will be our open night for various events. This is the night where we will offer live entertainment twice a month ranging from live music to comedians.

We are very excited to offer a whole new experience here at the Briarwood, and we hope you will come out to support your club. We will be starting these events on Monday June 18th and will run thru Labor Day.

**Come out and join us
