Hello members,

The golf season seems to be in full swing as we head into June. The course is in great shape as always and the calendar is full of fun events. It seems we are up to full staff in all departments as I see a lot of new faces working for us at the club. I noticed the pro-shop is full of new merchandise so stop on in and do some shopping. I wanted to thank Scott and the pro-shop for hosting a fun couple's event this past weekend. It was nice to see everyone who attended.

Also, I would like to remind the membership of some basic requests from the club. Fill your divots, repair your ball marks and any others you may see, keep all four cart tires on the cart paths keeping the carts away from the putting greens, and be respectful to your fellow members, the course, as well as the Briarwood staff. Most of all, we request you have fun!!!

Hope to see you all this weekend at the Member Member!!

Swing easy and not too often,

Carey

News from the CLUBHOUSE

Eric Smith, Food & Beverage Director

June is here and we are in the full swing of things here at the clubhouse. We have one party planned during June and it will be Friday June 5th. This party will limit seating in the dining room that evening, but please feel free to join us on the patio or in the bar area for dinner or call in an order to go that night. Sorry for any inconvenience this may cause.

With a few minor setbacks we are hoping to have the main pool fully operational the first week of June if not sooner. The kiddy pool unfortunately is in need of some extensive repair and will not be able to be up and running until the repairs can be made. We have no time frame on this project as of now, but I will keep you posted as the information becomes available to me.

We will have the shacks open as much as staffing will allow us. The signs are out by the Tee boxes on #1 and #10 to let you know if they are open. Hours for the shacks will be posted in the bar at the clubhouse. The pool will be open from 11-8 daily and will be staffed as much as possible during those times until we have a full staff. Thank you for your understanding as we try to fill the last couple of position to staff the shack and pool.

Let's get out and enjoy this wonderful golf season. Please remember to drink responsibly and don't drink and drive.

***Golf Etiquette Tip of the Month:** When leaving the Bunker after you have hit your shot please rake and exit out of the lower ends to stay away from the steep faces that seem to be tougher to rake.

***Golf Tip of the Month:**

Uneven Lies

Ball above your feet – The tendency is for the ball to go left or the direction the slope is facing. So the golfer should grip down on the club, aim right of your target, and take a shorter backswing to remain on balance during the shot.

Ball below your feet – The tendency is for the ball to go right or the direction the slope is facing. So the golfer should take a grip higher on the club or even take one club longer, aim left of your target, and take a shorter backswing to remain on balance during the shot.

*Hopefully this will help on some of the unique shots out here at Briarwood!!!!
