## News *from the* GENERAL MANAGER

*Brian Neely*

### Hello Membership

I have wanted to express to the Membership how happy I am to be here at the Briarwood and to share a little more about myself. Since, I arrived October 27<sup>th</sup>, 2010; I have been busy with meetings, budgets and other work related issues, so I apologize for not getting this done sooner. Tara and Alexis (my wife and daughter (age 12)) are still in Colorado trying to sell our house and finishing up school. My son, Thomas (age 8) is here with me and a student at Blue Creek Elementary. We are hoping to be reunited in late March.

Recently, I have traveled to Helena, MT and down to Idaho Falls, ID for my son's hockey and I am struck with how beautiful Montana really is. As I drove around each corner or came over the next hill there was another scene fit for a postcard. Montana is one of the best states in the country to live and bring up a family.

Where am I going with this? I hope each of you know how lucky you are to either be born here or to have moved here. The Briarwood is gorgeous and a special place we all should be proud of. I have witnessed the deep passion

the Membership has for the course and its people. So, I hope when each of us are in town, that we boast about how lucky we really are, I know I feel that way already in the short time, I have been here. We will build on that passion and love for the course, and it is my intentions to develop and grow programs and functions to have Members enjoy the facility to the fullest. My door is always open please feel free to stop in with any ideas, suggestions or concerns. I look forward to meeting all of you in the very near future and I hope you have a great day!

## News *from the* MAINTENANCE DEPARTMENT

*Sean Sullivan, CGCS*

It is always tough to predict the future, when I write this newsletter. Having said that my expectations for March and the upcoming Spring is promising. We had warm weather, during the week of February 14<sup>th</sup>-18<sup>th</sup>, that cleared most of the snow from the course. All but 4 of the greens were free of snow and ice cover. The fungicide application in mid November held up well despite the 90 + days of snow coverage. The greens exceeded my expectations, in regards to disease damage. Very minimal spotting on a couple of greens has been observed. So I am predicting, from what I have seen so far, that we will be in better shape than last year.

## News *from the* PRO SHOP

*Scott Pekovich*

It has been my pleasure meeting quite a few members since I arrived February 14<sup>th</sup>, and I am looking forward to meeting the rest of the membership soon. I am very excited for spring to start and the golf season to begin.

The Pro-Shop has been working hard putting the 2011 golf schedule together that will be available to all members soon. We have already met with the Men & Women who attended our February meetings to discuss ideas about the upcoming leagues. We will also hold a meeting with all members interested in participating in the Couples league to entertain ideas that will help enhance the play of the these events. An email will be sent out on when this meeting will take place. The Men's & Women's Pro-am series will start in April, so if anyone is interested in playing in any of these upcoming events please contact the Pro-Shop staff for

details. We are looking forward to a fantastic year at The Briarwood.

# News from the RESTAURANT

*Angelo Ortiz*

With February over and March already upon us, I thought I would ask everyone for a little help planning a couple of things for April. For starters, the two evenings we planned that included dining and dancing were a smash hit. Many of our attendees asked (suggested) if we could plan one once a month. Well, I got to thinking about you karaoke singers (and I know who you are) and thought we should have a night of singing and dancing. Call me and I will explain some of the options and technical issues we will need to address so we can have the best night of fun to date.

I don't want to forget to remind everyone about two main

events in March. We will have our 3<sup>rd</sup> annual Wild Game night and a Meet and Greet with our very own Magic City Rollers women's roller derby team. The rollers will be here on Friday, March 18<sup>th</sup> to sell and sign calendars, t-shirts, and other items promoting their upcoming events. Our wild game night has got Larry all excited again. Yummy, yummy, yummy, something different for our tummy.

Please call me if you want to sing and dance (everyone knows I want to) the night away, and I promise to continue to do my best to keep that warm and fuzzy feeling going at our clubhouse until we can get out and golf.

## ANNUAL MEETING | March 8th | 6:30 p.m.

If you have any questions, comments, or would like to know what will be going on at Briarwood this year **PLEASE** attend the annual meeting. We will also be voting on the 2011 board members. This is **YOUR** club, so helpful suggestions and feedback are always welcomed to help insure we are giving you the best experience at The Briarwood Country Club.
