News *from the* PRESIDENT

Paul Keneally

Hello members,

First of all, I would like to give a great “thank you” to our board members, Randy McGrail, Stu Summers, and Mike Skaggs. Your time, effort, and dedication to making the Briarwood the best club possible has been very appreciated. I would also like to introduce the new officers of the board. Carey Ziebarth is the new Vice President and Dave Wagner is the new secretary. Our club can always use volunteers to serve on the various committees that we have. These committees are Greens, Golf, Finance, Clubhouse, and Membership.

With our membership drive in full swing, please keep referring your friends, neighbors, and family into becoming a part of the Briarwood family. Our membership has been growing, and with the membership drive, there are opportunities to receive discounts on your own account. With more members at our club, the better our course conditions, clubhouse, and facilities will be in the future.

The Briarwood has been working with the Briarwood Homeowners Association to replace the signs at the highway entrance. On May 19th there will be a golf tournament with a 1:00 shotgun start to raise funds for the new signs. The format will be a four person scramble, with dinner and an auction to follow. With a good turnout for the tournament, work will begin this summer to install the new sign. If you would like to see a poster of the new sign, stop by at the clubhouse and look at the drawings posted around the club. Make sure to register your team by May 11th for this fun and beneficial event.

With summer approaching, we look forward to seeing everyone out enjoying the great weather, stunning golf course, seeing old friends, and meeting our new members. The staff at Briarwood works hard to make sure you have a great time, so please make sure to thank them for their service and dedication.

Thank you and hope to see you soon!!!

We were blessed with more fabulous weather in April to get our games into mid season form. It is also that time of year to remind all Members of the importance of fixing your divots, repairing your ball marks and raking the sand bunkers during play. It is always a good rule of thumb to fix yours and at least one other on each and every tee-box, fairway, and green. Please do your part to maintain the fabulous condition of your golf course! Sean says “Scatter” with all carts this time of year!
