News from the **PRESIDENT**

Paul Keneally

Hello Members,

During October and November, the Board of Directors starts the process of making a budget for all departments for the following year. During this time, the board looks at past history, advice of the departments, and discussions with other members of our club. We try to accurately project the income of each department, and also project the expenses. There are expenses that we know will happen, at the same time understanding there will be some unexpected ones as well. During this process, the board recognized that for the Briarwood to be in its best financial position, for the next year and looking beyond that, that an increase in monthly dues and capital is needed. After running multiple scenarios, the conclusion that a 15% increase in monthly dues with an additional \$10 dollars of capital is the correct adjustment. The Board of Directors will be compiling a letter with more information that will be sent to each member. Please remember that if you have any thoughts, concerns, complaints or complements, send those via email to briarwoodcomments@bresnan.net.

News from the **PRO SHOP**

Scott Pekovich, Head PGA Professional

It is official, the Briarwood will be using "Bobcat" Blue & Gold tees all of 2013 based on the tie in this years' CAT/GRIZ MatchPlay event!

Also the Pro-Shop Staff would like to congratulate Mr. Mike Skaggs on his victory over Mr. Vic Stark in this years' President's Cup Match Play event. Mr. Skaggs navigated through a field of 43 Members to gain this years' title.

And by far the years' most talked about golf event was held on a perfect October day here at Briarwood. The inaugural "Briarwood Ryder Cup." The 27 hole event matched up (12) Members playing for the Pro-Shop team, and (12) Members playing for the Grounds Crew in three separate 9 hole matches, Ryder Cup style. These (24) Members earned their spot on the teams by participating in a variety of events here at Briarwood throughout the 2012 golf season.

The Pro-Shop is talking with some well known golf vendors to put on our annual "Merry Merchandising Party" to be held on Saturday December 15th. Hopefully everything goes well in negotiating and we will have an outstanding event again this year for all Members and their guests.

****All Pro-Shop must be used on or before December 15th, 2012!***

News *from the* RESTAURANT

Kenzie White, Restaurant Manager

We have a new Executive Chef at Briarwood that I would like to introduce. His name is Jamaal Dacus. He graduated from Le Cordon Bleu in 2009. He has opened 6 successful restaurants. He was Jimmy Buffet's personal chef and cooked for the President of Exxon. He is from Atlanta, Georgia and wants to bring the taste of the South to Montana. He thanks the members for welcoming him with open arms and is very happy to be part of the Briarwood family. He is here to make your dining experience the best it can possibly be. All of our recipes and soups are homemade. He wants to show you how great food can taste when it doesn't come from a can. He would also like to introduce his Executive Sous Chef, Jerry Soderquist. He is bringing over 40 years of fine dining experience to Briarwood. He is originally from Salt Lake City, Utah. He has created 14 successful restaurants, 6 of which are still open in Salt Lake. He also was the Executive Chef at Goldener Hirsch Lodge in Deer Lodge, Utah where they hosted the Swiss Olympic Team in the Winter Olympics in 2002. We hope you'll come out and give our new Chef a chance to cook you an excellent meal soon!

I would like to give you the heads up that we will be closed on Thanksgiving this year. Also, we have a wedding reception the same day as the Cat - Griz game. It starts at 7 PM so we will be showing the game here, but we have to close the restaurant down at 5 PM to set up. We're very sorry for any inconveniences.

Please see the new winter hours on the back of the *Chipshots*.
