Hello Briarwood members,

Welcome to fall at the "Wood"!! We certainly enjoyed more good golf weather in September. As we get past aeration and the course settles into fall we can all enjoy the best time of year to play golf!

As a reminder, the normal fall projects will soon begin and your patience is appreciated. Fertilizer, sod, new concrete, sprinkler blowout are just a few things that Sean and his crew will be tackling before putting the course to rest for the winter. Once the course is winterized, more projects are sure to come. We have a lot of property to take care of, so if you get a chance to thank the grounds crew, please do so!!

I wanted to say thank you to the pro-shop for putting on some great golf functions this year that helped get more members involved such as the coin matches and match play events. If you did not participate this year, I urge you to do so next year as they are a lot of fun. The pro-shop puts a lot of work into making us the best course around and we are lucky to have them on our team!!

As always, from everyone on the board, thanks for supporting your golf club.

Sincerely

Carey Ziebarth

CONGRATULATIONS Kelbi!! One of your PGA Golf Professional, Mr. Kelbi Lee, won the 2013 Yellowstone Chapter PGA Professional Championship. Kelbi shot (74-71) at the PowderHorn in Sheridan, to win this prestigious event.

The past month was filled with events here at Briarwood, all events went very well and the guests of Briarwood high very high regards for your fabulous facility. The course aerification has been completed and will be in great shape for some spectacular golf for the remainder of the year.

Also, congratulations to the following Members for their great play throughout the year in these Member events:

*Briarwood Team Challenge:* Randy McGrail & Mike McKnire (Champions)

*Briarwood Majors:* Stu Summers (Overall Champion)

## October Events:

11<sup>th</sup> Yellowstone Area Bar Association (1pm Backwards Shotgun)

13<sup>th</sup> Briarwood Ryder Cup

\*A list of the qualifiers will be posted the first part of October for this event!

***Don't forget to use your hard earned Pro-Shop credit that you have accumulated throughout the year.*** The Pro-Shop has had a few new shipments arrive getting ready for the cooler weather that fall golf brings.

Thanks,

Scott Pekovich

The September aeration went fairly well. Despite the 2 1/2 days of rain, we were able to get the greens verticut , deep core aerated, and topdressed. The problem came with the rain, preventing the cores from drying out and subsequently being dragged into the holes. So it took several extra days to get the surface cleaned up. In addition to the core aeration process, the greens were, also, fertilized and seeded. Fairways were aerated and then verticut. The rough around the course was, also, aerated. Tees and approaches still need to be aerated and topdress. This will be done in small increments so as not to disrupt play too much.

The cart path between 4 green and 5 tee will be removed, re-graveled, then replaced with concrete. This work is scheduled for the first couple of weeks in October. As with any project, should the weather turn bad the project will have some delays. We will not be concreting the inside of the tunnel. At some point in time the tunnel will need replacing as the road above continues to compress the tunnel.

Sean Sullivan, CGCS

## Kitchen News

Well as another golf season is coming to an end, I would like to thank all the members for their support. Although the season is ending, it is a perfect time to start thinking about holiday parties. Be sure to schedule any parties you might be planning soon to ensure a day you may be thinking of isn't already taken. We will continue with our Prime rib dinners of every Friday night starting @5pm. Feel free to make reservations to ensure your seats those nights, as they keep getting busier and busier.

I also realize I had said the new menu should have been out in September, but with the going back and forth to make it the best possible, it is taking some extra time. We are getting the final corrections made and then it will be ready for printing, so please look forward to it this month. Also I will be sending an email out to the members to let them know when we do get it in place. Thank you for your patience.

Finally we have two events in October that will require closing the restaurant. The first being on Friday the 4<sup>th</sup>. With that being said, we will be moving Prime rib night to the 5<sup>th</sup> so no one has to miss out that week. The next is the following Wednesday October 9<sup>th</sup>. Both parties will shut the restaurant down for the evening hours. Even though these parties will close the restaurant for seating we will be able to offer the items to go those nights. Sorry for the inconvenience.

We will also be doing another all you can eat crab night on October 19<sup>th</sup>. Be sure to make reservations this night as they are becoming a popular night to dine with us here at the club house.

Thanks again for all the support this past summer and we look forward to seeing everyone in the restaurant through the fall and winter.

## Restaurant Events

Prime Rib every Friday Night @5pm 10oz for \$16 and 16oz for \$22.

Comes with soup or salad, and a dessert.

All you can eat crab night Oct 19<sup>th</sup>

## Upcoming

Restaurant will be closed Oct 4<sup>th</sup> @5pm due to a large party. Also due to another large party we will be closed Oct 9<sup>th</sup> @5pm
