News from the President

Carey Ziebarth

Hello members,

It is fall in Montana and that means great golf. I hope you all are getting out the last few times and loving it as much as I do.

You should start receiving an information packet in the mail about some exciting project possibilities at The Briarwood. Please digest this information and reach out to any board member with comments or concerns. You will also be able to voice your opinion at our next board meeting on Oct 25th at 6pm at the club.

Some of you have mentioned the entrance sign to the club has deteriorated beyond repair. We are working on a plan to replace the sign and it's been added to the long list of winter projects for Sean and his crew.

Also, thanks for your patience as we head into fall. There are always extra steps that our course needs this time of year.

See you on the course!

Carey Ziebarth

News from the CLUBHOUSE

Eric Smith, Food and Beverage Director

Here we are at the start of October. We have had some beautiful weather the last few weeks, and I hope that everyone has had a chance to come out and enjoy this wonderful club.

As of now we have one last tournament planned on the 3rd of the month. The annual Cat/Griz tournament is always a great time. It is looking to be a bit cooler this year so we will have some warm drink specials available to keep you warm.

We would like to thank everyone for their support over the golf season. Although it is not over yet we are getting closer to end of the season. We hope to see everyone while we still have some good weather.

Please note the changes to the hours the restaurant and bar are open. Also we will be trying to staff the shacks as much as we can during the rest of the golf season, but we have lost some availability of our staff as they have returned to school. Sorry for any inconvenience this may cause. Please be sure to stop into the bar before you head out.

Thank you all again for another wonderful year of golf

News *from the* MAINTENANCE

Sean Sullivan, CGCS

Obviously winter is soon upon us. As you make tee times or come out to the course to play, please consider the weather conditions. Briarwood is at a higher elevation than the city, so our temperatures are lower. The lowest temperatures of the day are a half hour after sunrise. Please plan accordingly if you are making early morning tee times or coming out to play.

Thanks
