News *from the* GENERAL MANAGER

Brian Neely

Hello Members,

In early September we had many of our employees return to school and this left us short on staffing. Even though we had a busy month with tournaments, we managed to still perform at a high level. I would like to thank Sean Sullivan, Scott Pekovich, Rex Ripley and Nick Morrison, our new Chef, for making sure the Briarwood Country Club is known and respected for its customer service and course conditions.

The flood work will continue through October, and by next month I should be able to publish a spreadsheet to the Membership that shows where we spent the assessment money. We hope the work you have seen in the last couple of weeks did not inconvenience you; we know you will be proud of the work when it is completed.

The remainder of the golf carts (40) should be arriving around the 15th of the month, these carts are equipped with windshields. Most, if not all, will be put into service so that you will be more comfortable on some of these chilly days. We purposely kept the new carts that arrived in September out of the rotation due to heavy tournament play and to give back the old carts to Yamaha, with as little fuel as possible.

We have only a few events in October, so please get out and play as much as you can and enjoy the weather and Briarwood to the fullest.

News *from the* PRO SHOP

Scott Pekovich, Head PGA Professional

What a fantastic month of September here at the Briarwood. We hosted a lot of wonderful events that can't wait to hold their events with us in the upcoming seasons. Our annual Men's Pro-Am was a big success with our own teams, filled with "Members", taking home the majority of winnings. Congratulations! We have a few more events on the calendar, but for the most part the course will be wide open for Members to play and to enjoy the great Fall weather.

- October 6..... JT Thorpe & Son, Inc. (8am Backward Shotgun)
- October 8..... CAT/GRIZ Matchplay (10am Shotgun)
- October 14..... Yellowstone Area Bar Association (12:30 Backward Shotgun)
- October 18..... Rocky Mtn. Asphalt (11am Backward Shotgun)

****Members may still play on days when we have a Backwards Shotgun. Call the Pro-Shop for details if you wish to play those days!***

The Pro-Shop is receiving fall apparel and merchandise daily from the following vendors: Nike, Sun Mountain, FootJoy, Bushnell, TaylorMade, as well as a new shipment of Cat/Griz gear that will arrive any day! If there is anything that the Membership would like to see in the Pro-Shop this Fall/Winter please contact us as soon as possible.

REMINDER: ALL PRO-SHOP CREDIT MUST BE USED BY DECEMBER 15TH, 2011. NO EXCEPTIONS!!

BOOK YOUR CHRISTMAS PARTIES NOW!

News from the RESTAURANT

Rex Ripley

With the golf season winding down we will begin to plan some fun things for this fall. We will keep all of you updated on events as they are planned. Do you still need to set up a Christmas party for your work? Please contact Rex and he'll reserve a date for you, just remember that dates are filling up fast!!!

Recently we have removed the beverage Squirt from our pop selection and replaced it with Sunkist. Please let us know if you love/hate this change. As a reminder to all, there is a Sunday Breakfast Buffet every Sunday from 8 until noon.

The shacks will be closed come October so remember that if there is still golf out there please stock your needs in the clubhouse prior to golfing. Everyone in the restaurant would like to thank all of you for the great golf season!

News from the CHEF

Nick Morrison

Aloha! I would like to take this opportunity to introduce myself; I am Nick Morrison, the new chef/kitchen manager here at the Briarwood. I had my own chain of restaurants in Hawaii for 20 plus years, and most recently worked in Cody at the Buffalo Bill Historical Center as food and beverage director and chef. Now that I have been here a few weeks, I have met some of you, but not all of you, so please stop by. I would love to meet you and discuss all things food.

I will be working on some specials and if you would like to set up a party we can work up something to fit your budget. For those of you who need to use your credit, or would like something special to prepare or bring home, let me know. I could cut you some steaks, etc. to take home and grill. I can be reached at 690-3030. Mahalo, Nick.
